Rowcroft currently supports one in three people with life limiting illnesses in this area.

We need your help to ensure that more people can benefit from our services.

Here are a few ways you could become involved:

Choose us as your charity of the year

Bring all of your staff together and make a real difference this year to families in your community. We can support you through all of your fundraising ensuring that there is something for everyone, there is a calendar of activity and staff know what difference they are making.

Volunteer for us

Want to build a stronger team, help in your local community and have fun at the same time? We might have the perfect opportunities for your staff. Running a cheering squad, stewarding a mass participation event, running a Garden Party stand or sorting charity donations - we have something for everyone.

Sponsorship

Align your brand with a cause that is close to the hearts of your staff and stakeholders. We have a variety of opportunities however big your budget such as sponsoring events, refreshments, vans and services.

Challenge yourself

Jump out of a plane, run a marathon (or a cheeky half?), cycle, swim, kayak, walk – either in the UK or abroad. Some ideas can be found at www.rowcrofthospice.org.uk/challenges or find your own!

Jail or Bail

We are looking for convicts to be locked up in April until they can raise the bail to get themselves released.

Get baking

Join our Big Bake in June and raise some dough for Rowcroft. A great excuse to get together and eat cake! Why not invite your clients or suppliers along to sell even more cakes.

Get festive

This December, dust off your antlers, dig out your jolliest jumper and donate to Rowcroft.
